Education

Washington University in St. Louis
Sam Fox School of Design & Visual Arts
BFA in Communication Design 2009

Experience

Northwestern University Information Technology, Evanston IL
Visual Communications Specialist, September 2009–Present
Produced print and Web publications within existing branding guidelines; updated Web pages within Web CMS; designed HTML e-mail templates for department use

Step Ahead Studios, St. Louis MO
Concept/2D Artist, May 2009–August 2009
Worked in a team of artists to design and produce characters, environments, objects, and interfaces for Early Expert: Spanish, an educational 2D Flash game targeted to children ages 4–6; prepared final artwork for programming, including interface layout and simple animations; participated in meetings with game design and educational design teams to aid in visual decision-making

Carol Freeman Photography, Glenview IL
Graphic Design Intern, June 2008–August 2008
Assisted with logo and identity design for a variety of clients; produced illustrations and Web material; attended meetings with clients

Northwestern University Multimedia Learning Center, Evanston IL
Web Design Intern, June 2007–August 2007
Designed Web material for online homework and quizzes in accordance with professor's specifications; designed online editor for instructors to easily change and implement new assignments; independently studied JavaScript and created code for both projects

Northwestern University Information Technology, Evanston IL
Graphic Design Intern, May 2006–August 2006
Researched, designed, and wrote copy for campus computer security brochures to be distributed to incoming freshman class; designed signage and Web campaign to match brochure; designed and implemented other print and Web materials

Skills

Proficient in Photoshop, Illustrator, InDesign, Dreamweaver
